# About Us

Ganga International School was established in 1985 by the renowned educationalist Dr. Sushil Kumar Gupta. GIS is proud to offer a structured Educational Programme that provides developmentally appropriate activities that challenge and engage the children. Therefore, we provide a nurturing, safe, secure and an empowering environment. Designed to promote social emotional, cognitive and physical development through a combination of play-based and academic learning areas, curriculum development and direct instruction by professional educators.

In conclusion, I am hopeful that we would continue to live up to your expectations as we have done in the past years.

## EARTH DAY

The Earth doesn't belong to us, we belong to the Earth.

The year 2022 marks the 52nd anniversary of the of the annual celebrations of Earth Day.

To celebrate and show our love towards our mother earth on 'Earth Day' an activity was conducted on 22nd April 2022. Students showcased their talent by making beautiful posters. They portrayed the current scenario of earth and measures which are being taken to make our planet a better place to live. This activity helped in creating awareness amongst the students.

# Mother's Day

Mother's Day celebration is all about honouring mothers, motherhood and the most important roles of moms in everyone's life.

"A MOTHER IS SHE WHO CAN TAKE THE PLACE OF ALL OTHERS BUT WHOSE PLACE NO ONE ELSE CAN TAKE "

The students of Ganga International School, Rohini paid a tribute to the most important and loveable person 'Mother' by making it a special day for them in their unique and creative way. To express their love they made beautiful cards with warm messages written on them.

# Button Stitching Activity

This small but significant activity provided students a chance to be a part of something bigger than themselves and gain self confidence and self efficiency by recognising their capacity to use their skills. The smiles on their faces speak volumes about the success of the activity.

## COLOURS WEEK CELEBRATION

Colours play an important role in the world we live. As a powerful form of communication colours are irreplaceable.

To spread positivity, Colours Week was celebrated by the tiny tots of Ganga International School, Rohini. All the parents and students passionately co-operated to make the event grand. It was an amazing learning experience that will have a long lasting effect on the students.

## **Ladyfinger Printing**

It is one of the interesting ways to make amazing paintings. Students showed keen interest in this activity. The kids brought veggies from mommies kitchen and they used them as a tool to make colourful images reflecting their bright imaginative ideas.

# Sports Activities

Playing games or sports have a huge impact on the holistic development of a child. Either indoor games or outdoor games, both have significant outcomes on the mind. They help to improve both physical and mental coordination. They teach us discipline, the value of time, unity and togetherness.

# Dance and Music Activities

Dance and Music are an essential part of life and education. It not only teaches the importance of movement and fitness in a variety of ways but also brings immense joy to our souls. The rhythm learnt early in life brings discipline.
