Heartiest congratulations!

We are glad to inform all that our students have been selected for Kurash Nationals to be held at Saharanpur. Kurash is a form of upright jacket wrestling native to Uzbekistan, practiced since ancient times. It is played by two athletes, one wearing a green jacket and the other a blue jacket. The objective is to try to throw one another to the ground. If thrown to the back, victory is declared. In a way similar to Judo. These students were being trained for Judo at school for past 10 months.
