

Dear Parents

Greetings of the day !

It gives us enormous pleasure to inform you that we did a successful Interaction session with the students of Egypt on 7th March 2024. It was a great experience to talk about India's rich heritage and to know about Egyptian food, Language, currency etc. Students of Class V& VI participated in the event.

Congratulations to all the participants for being confident in expressing themselves and representing their country at an international platform. In the future we will also be having such interactive sessions .

Together we can & we will achieve wonders. Thanks alot for your continuous support. Hoping for the same in future endeavors also.

Headmistress
Ms. Arunima Shukla
